Rough Rice, # bushel,..... REVIEW OF THE WHINGTON MARKET

FOR THE WEEK ENDING NOVEMBER 23RD, 1859 TURPENTINE-There has been little or no activity in the market since our last, and the limited receipts has mainly tended to keep prices up. In virgin, however, we have to yellow dip, \$2 32 for virgin, and \$1 75 for hard, per 280 lbs. -closing quiet at above prices. The transactions foot up

only 1,629 bbls., as follows: Friday 639......\$2 90........\$2 32...... \$1 75 Saturday..... 2 90....... 2 32...... Monday 670 2 90 2 32 Wednesday . . 240..... 2 90...... 2 32..... 1 75 SPIRITS TURPENTINE-On Friday last the price gave way one cent, and the market since has ruled quiet at 41 cents

per gailon. Receipts moderate, and we notice a fair stock in first hands. We quote sales of only 1530 bbls., viz:

other remedies known, to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy. You can publish this if you think proper. Yours, &c. S. W. MIDDLETON. PHILADELPHIA, Sept. 9, 1859. PROF. WOOD-Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering-was in fact BALD. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I

have tried other preparations without any benefit whatever. I think from my own personal recommendations, I can induce many others to try it. D. R. THOMAS, M. The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3 a bottle.
